

The Family Advisory Committee at Roger Neilson House

The Family Advisory Committee (FAC) provides the opportunity for families who use Roger Neilson House to give feedback and advice to the Executive Director, leadership team and staff about programs, practices, policies and initiatives.

The Committee is made up of five to 10 family members – parents, foster parents, alternative caregivers, youth and siblings – receiving palliative care and bereavement services at Roger Neilson House, and up to two staff members and a volunteer. Members are asked to serve two year terms to a maximum of six years. Meetings are held throughout the year and are typically held on Mondays from 6 to 8 p.m. at Roger Neilson House.

Members are asked to reach out and listen to other families for their input and to reflect on issues and priorities that may be different from their own when giving feedback. This respectful, collaborative partnership between families and the leadership and staff of Roger Neilson House helps to ensure that the services provided meet the needs of the families served.

If you are interested in joining this important committee, please contact Roger Neilson House Staff Liaison, Bruno Perrier at bperrier@cheo.on.ca or 613-523-6300, extension 4605. You will receive a formal application form which will be followed by an interview to determine your eligibility.

Additional information about the FAC may be found on the Roger Neilson House website at www.rogerneilsonhouse.ca.
